PCET's

Pimpri Chinchwad College of Engineering

Young Professional Conference – Abhinav 2k26

Title of Presentation (Font: Arial or Calibri.32)

Team Leader Name (Font Arial or Calibri. 24)

Team ID

Date

Introduction(Font: Arial or Calibri.32)

- (Font Arial or Calibri. 24)
  Overview of the research topic
- Background of the problem
- Importance of the study

Motivation (Font: Arial or Calibri.32)

- (Font Arial or Calibri. 24)

  Why this research problem is important
- Real-world need for the proposed solution
- Expected benefits of the research

Literature Survey (6–7 Papers) (Font: Arial or Calibri.32)

- (Font Arial or Calibri. 24)
  Paper 1 – Key idea and contribution
- Paper 2 – Method used and findings
- Paper 3 – Important results
- Paper 4 – Limitations
- Paper 5 – Comparison
- Paper 6 – Summary

Research Gap(Font: Arial or Calibri.32)

- (Font Arial or Calibri. 24)
  Limitations in existing studies
- Problems not solved in previous work
- Need for improved approach

Objectives (Font: Arial or Calibri.32)

- (Font Arial or Calibri. 24)

  Main objective of the research
- Secondary objectives
- Expected outcomes

Methodology(Font: Arial or Calibri.32)

- (Font Arial or Calibri. 24)
  System architecture / workflow
- Tools and technologies used
- Data collection and processing steps

Result and Discussion(Font: Arial or Calibri.32)

- (Font Arial or Calibri. 24)

  Experimental results
- Performance analysis
- Interpretation of results

References(Font: Arial or Calibri.32)
